

Our Services

Thank you for your interest in partnering with JustFund. We are a community of values-aligned funders working to transform what philanthropy is, and what it can be. **Let's JustFund, Together.**

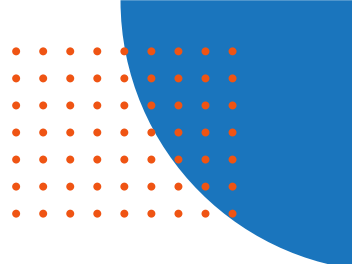

JustFund, a nonprofit organization, was developed in 2017 by funders and organizers of color, with a new approach to philanthropic grantmaking in mind: one that is values-aligned and that can fuel the movement for social and racial equity.

Our services are as simple or complex as you need them to be, and our experts can be by your side for all your grantmaking needs. Keep reading to learn more about our service packages and pricing.

*Pay it Forward Pricing

As a nonprofit, we offer a deeply discounted rate to all clients in order to ensure equitable access to our values-aligned grantmaking service and to grow the JustFund community of funders seeking to reset philanthropy.

Through our Pay it Forward model, clients who are financially able add 20% to their base price, allowing JustFund to keep the platform free for nonprofits seeking grants, and accessible to all types of funds and funders, including grassroots organizations needing support with regranteeing.

Able to go above and beyond? We also invite direct grant funding to accelerate the continued development of the JustFund platform.
